Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Este poema puede tener distintas interpretaciones; habla sobre el gran miedo el cual puede ocasionarse debido al intentar amar; también puede tratarse de aquellas experiencias amorosas trágicas las cuales pueden llenarnos de cierto miedo cuando se vuelve a experimentar este sentimiento; en este juego del amor cualquiera puede ser un testigo ocular como lo son "las paredes".

Como toda creación artística, el lenguaje poético renuncia al reduccionismo del absolutismo que conlleva toda interpretación unilateral. A diferencia del lenguaje científico, el poético devela múltiples sentidos, donde el poeta manipula el lenguaje, como sucede en todos los terrenos del arte. Es el lenguaje tan dúctil que se deja transformar y acepta convertirse en la figura que le propone el poeta. A partir de allí, nos quedan las palabras y una infinidad de imágenes que las acompañan.
